

# AsCA '06/CrSJ

## Joint Conference of the Asian Crystallographic Association and the Crystallographic Society of Japan

20-23 November, 2006  
Epochal Tsukuba, Japan

### Keynote Speakers

**Prof. Susumu Kitagawa (Kyoto University)**

*"Crystal and Functional Engineering for Unique Microporous Materials"*

Tuesday, 21 November 09:00 - 09:50

**Prof. Zihé Rao (Tsinghua University)**

*"Structural Insights into SARS Coronavirus Proteins"*

Tuesday, 21 November 17:40 - 18:30

**Prof. So Iwata (Imperial College London)**

*"Towards Structure Determination of Human Membrane Proteins"*

Wednesday, 22 November 17:40 - 18:30

**Prof. Christopher Howard (ANSTO)**

*"Structures and Phase Transitions in Perovskites - Sorting out the Subtleties"*

Thursday, 23 November 17:40 - 18:30
